LESSON COST

The base recommended cost for ½ (half) hour lesson is \$17.00.

The fee, however, may be different with some teachers.

SPECIAL INFORMATION REGARDING PRIVATE LESSONS

The return of this form does not guarantee assignment to the private lesson program. It is possible that an instrument or two will not have a teacher available. Lessons are assigned on a first come, first served basis. For this reason, prompt return of this registration form is helpful in securing a spot for you with a teacher. Only after the original scheduling will late forms be processed.

ABSENCES

Please be sure to record the private teacher's contact information, so that he/she may be notified of an absence. Lesson payment is still required if there is no prior notification of cancellation. Once lessons have been scheduled, it is no longer the responsibility of the Band Directors to contact teachers for absences or to revise scheduling. This should be done with the private instructor.

ON THE BACK OF THIS FORM, PLEASE LIST YOUR CLASS SCHEDULE AND ANY NIGHT-TIME OR WEEKEND ACTIVITIES WHICH WOULD BE HELPFUL FOR SCHEDULING.
