

If you have a Kroger Plus card but haven't set up your digital account, first go to www.kroger.com and register. Once you have an account set up you can sign up to support the Buc Band. You also get access to digital coupons and other perks, so it's a good deal for you too!

1. Follow the instructions to get your account set up. It only requires you to enter an email address, a password, and choose a preferred store.
2. Once complete, you are taken to another page to enter your Kroger Plus card number and your last name. Your card number can be found below the bar code on the back of your Kroger card.
3. Once that step is done, you are directed to another page with your account summary. Scroll down until you see "Community Rewards" and click "enroll". You will be asked to enter your name and your address. Phone numbers are not required fields.
4. You will then be directed find your organization. Enter the words Brazoswood Band and click "search". The Brazoswood Band Booster Club will appear as a selection. Click the radio button to the left of the BBBC listing and then click "enroll".
5. That's all there is to it! Once complete you will begin to see the Brazoswood Band at the bottom of all your Kroger receipts.

If you already have a Kroger account set up, log on to your account and click on "community"

1. Click on Community and then click "Enroll".
2. You will be taken to your Account Summary page. You may need to update your preferred store before being allowed to continue.
3. Scroll down until you see "Community Rewards". If you are already enrolled for the Brazoswood Band, click "reenroll".
4. You will be directed to find your organization. Follow step 4 above.
5. If you are not already enrolled for the Brazoswood Band, click "enroll" then follow the directions in steps 3 and 4 above.

That's all you need to do! Once you have enrolled, each time you scan your Kroger card at checkout Kroger will donate a small percent of the total to the Brazoswood Band in the form of a quarterly check.
